Nú Brennur Tú í Mær
Tá ið eg sá teg fúka framvið
Fann mítt lítla hjarta ongan frið
Tín eldheiti kossur brendi meg
Og aldri aftur skal eg kyssa teg
Nú brennur tú í mær

Now You Are Burning in Me
When I saw you fly by,
My little heart could find no peace.
Your fiery kiss burned me
And never will I kiss you again.
Now you are burning in me

Tá ið eg sá teg balla teg inn
Í dúnmjúka heita kroppskinn
Kyssa hennar vælangandi tár
Lata hana grøða tíni sár
Nú brennur tú í mær

When I saw you wrapped inside
in comfort warming her skin
Kissing her (crying) tears
And letting her heal your wounds.
Now you are burning in me
